

The 2nd European EGL event: full documentation is available on-line

02/10/2018 - News from Europe Goes Local

The 2nd EGL event took place in Cascais in June. A summary of all activities has been prepared and published on our website which gives a complete overview of the key-notes, thematic seminars and discussion groups of various topics.

Following the [link](#), you can find the presentations of input-providers, the list of participants, photos and the summary of the event.
