

Collaborative NEET-youth support service model

Stiina Kütt
stiina.kutt@ank.ee

Why me?

*

EDUCATION

BA: leisure-time manager and teacher (University of Tartu, 2010)

MA: youth work management (Tallinn University, 2017)

*

PRACTICE

Active young person - Camp leader - Youth worker - Project manager

...

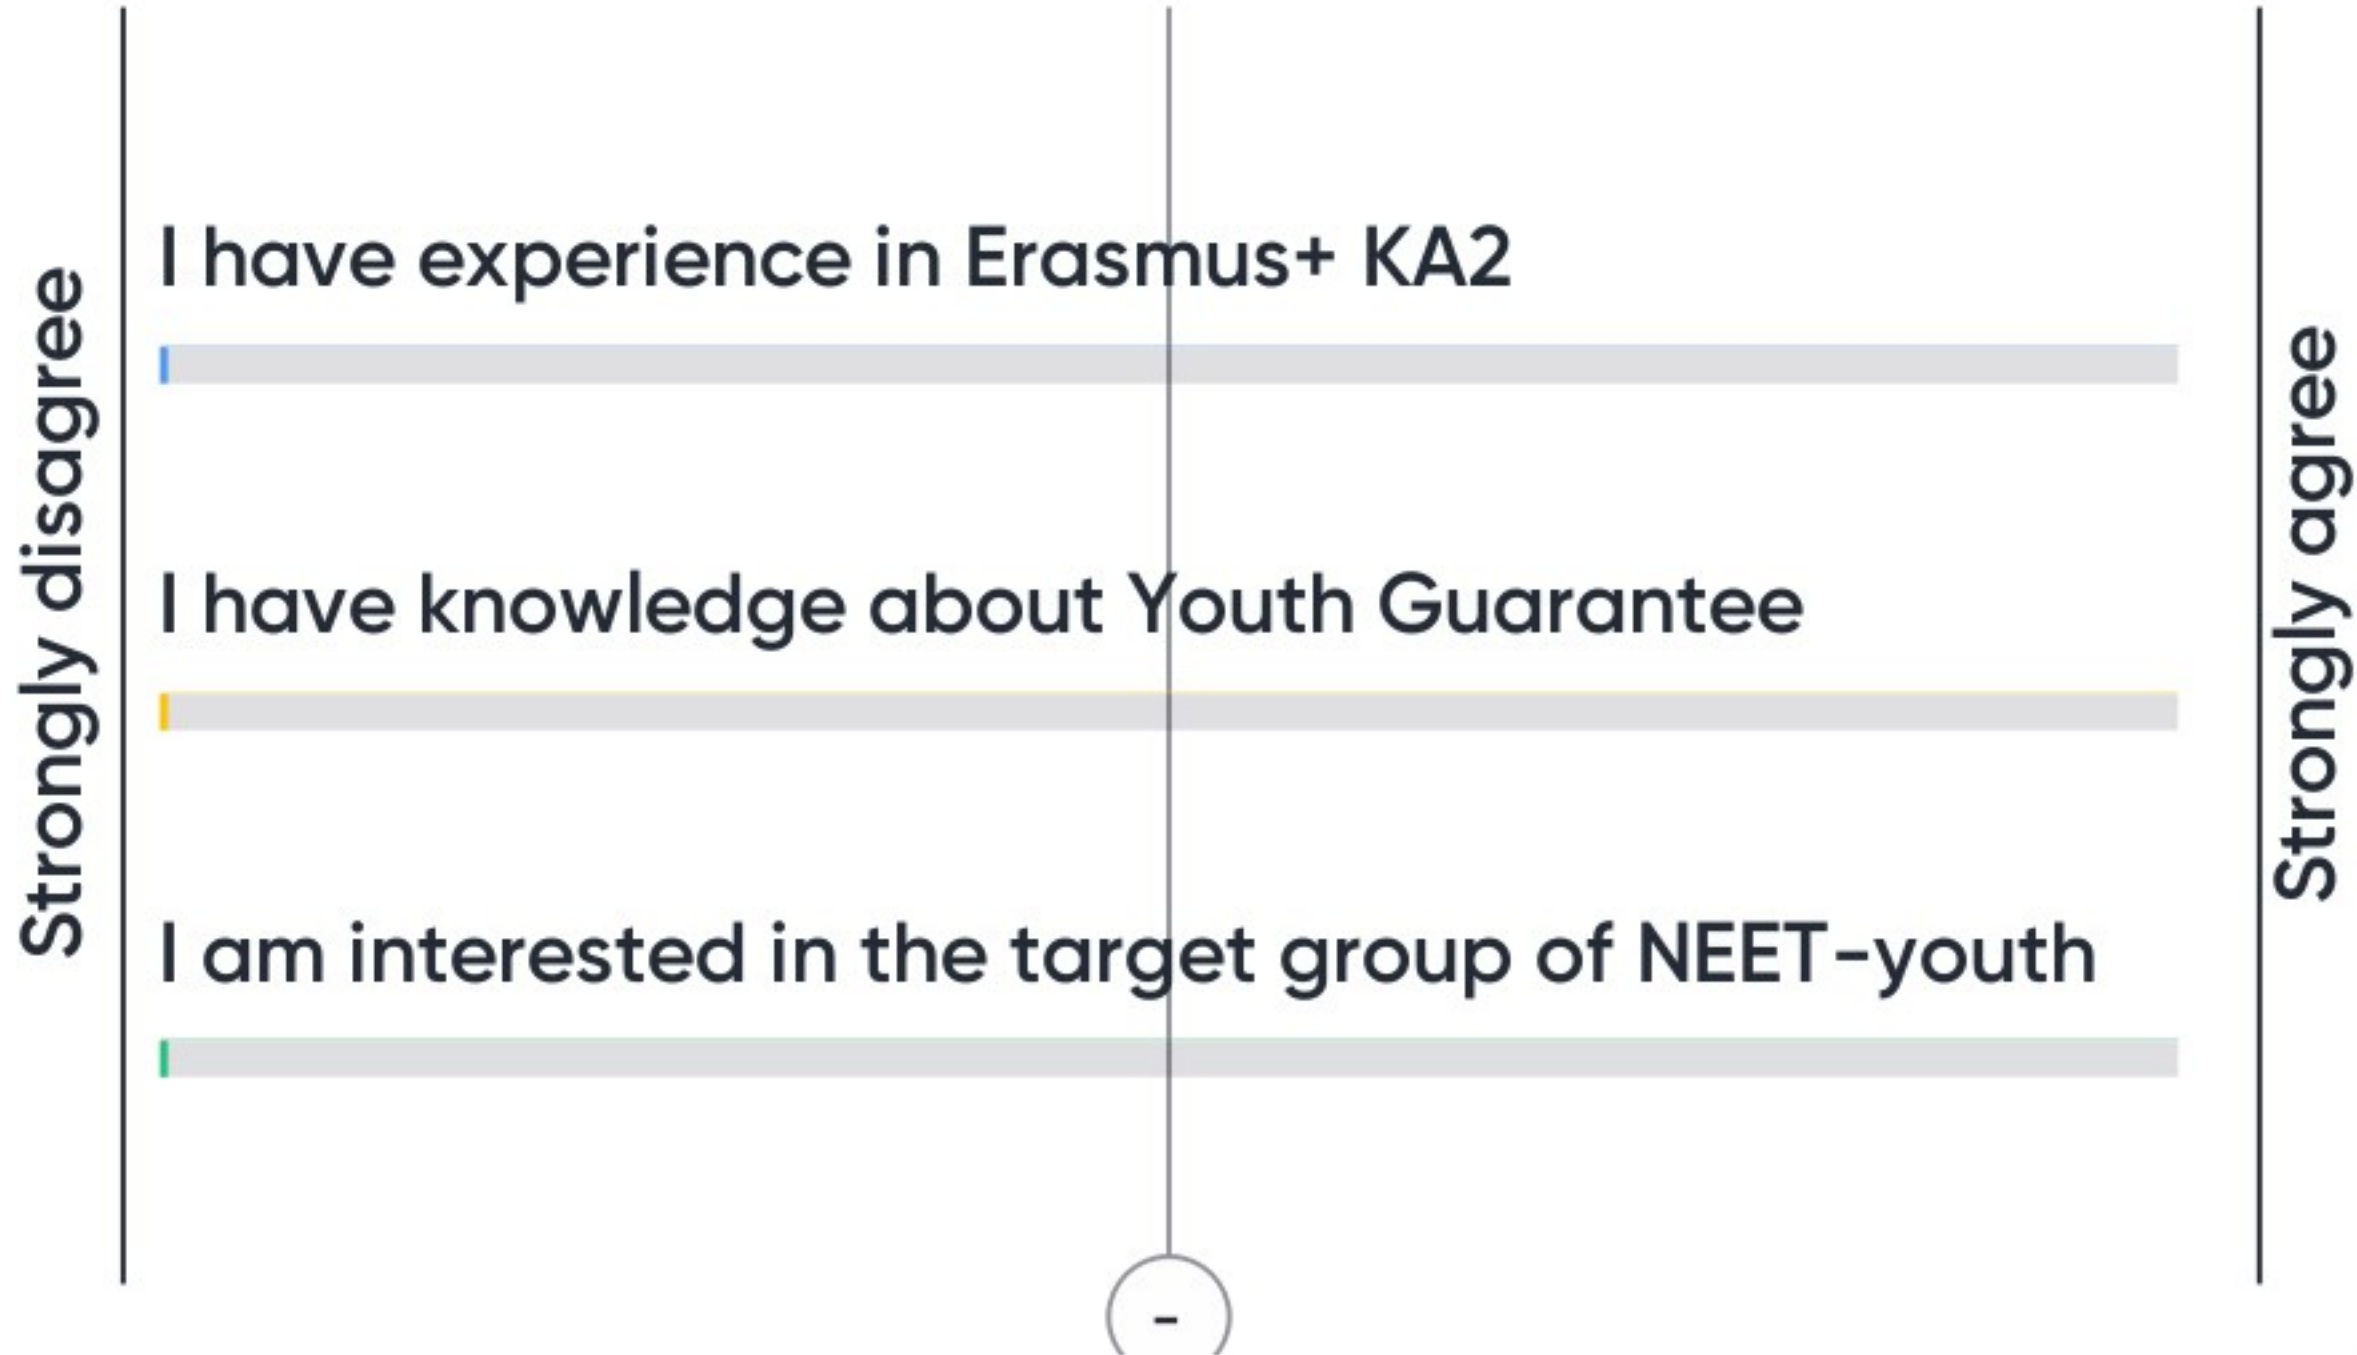

2015- ... Association of Estonian Open Youth Centres

*

More importantly

- Successful Erasmus+ KA2 experience
- National programme that lead to learn from and share on the international level

Mapping the background

Intro to "Community Guarantee"

More than 400 respondents to a specialists' questionnaire
100 youth workers learning mobilities
approx. 40 organisations/practices visited
19 months
5 international LTT activities
4 partner countries
1 Intellectual Output: 80 pages of concentrated knowledge

Which are the key elements you think make these services efficient?

Community Guarantee: Profile of effective NEET-youth support service

Discuss

When looking at the Community Guarantee service model...

- 1) What is new/ different compared to your reality?
- 2) What could you take home/ transfer to practice in your reality?
- 3) Which roles could you/ your local network partners carry in delivering efficient support services?

Wrap up & Zoom-out

Thank you!
